19
POTENTIAL
CS-OPTIONS
LISTED

1. Livestock value chain efficiency
2. Promotion of small-scale irrigation
3. Improved forage production
4. Improved animal genetic resources
5. ISFM
6. Strengthening knowledge
7. Promote improved crop Variety
8. Agriculture insurance
9. Livestock genetic improvement
10. Promote drought tolerant crop
11. Conservation agriculture
12. Mechanization

III. Prioritized CSA Investments options
